4.2. Budget

The total budget exclusively for the group tasks (without having in account individual tasks and study sessions) is around **313.33€**.

Linear amortization by 3 years will be: **104.44 €**

5. Conclusions

Using these metrics gives us an idea of how expensive our project would be and how much time we spent in comparison to our initial expectations. It seems that we have been optimistic regarding on the total time for each feature.
